Dear IAFF Member,

This letter is to inform you of a program the Professional Fire Fighters of West Virginia has instituted. The PFFWV now welcomes IAFF Members who live in West Virginia and work in other states the opportunity to participate in our license plate program. IAFF Members in good standing with their Local may be eligible to become PFFWV Associate Members. For a per-capita fee of \$25.00 annually, as an associate member, you may display a PFFWV license plate. You are also entitled to attend our biennial convention as a registered guest. As an associate member you will not have a voice or be entitled to vote while attending the convention.

To apply for the PFFWV License Plate you may log onto WWW.PFFWV.ORG. Once on the web page click on license plate application form. You will be able to print the application form. Plate fees are also available with the form. If you do not have access to a computer, you may request an application directly from me. Send the completed associate membership application form, a license plate application signed by you and an officer in your local, per-capita and license plate fee, to me. The per-capita will be due January of each year.

If you should have any questions you may contact me. Looking forward to hearing from you.

Fraternally,

Jayson Nicewarner
Secretary-Treasurer
